No. 53 November 26th, 1982

26th Nov. 1982

It seems that there are a lot of local residents who would like to see some action toward clearing up the road-name problem. However, one thing that is clear regarding this matter, is that nothing will be done unless we do it.

For any action on this problem to be effective it would seem that some sort of combined effort is needed. Perhaps the first step would be the calling of a meeting to discuss the issue and establish a plan of action.

Letters to the Editor

Re Mr. Foggo's letter 10/11/82.

During Mr. L. Michelmores term as councillor for our district he had some of the roads named and Griggs Avenue, I believe extended from the Post Office to the corner of Survey Hill Reserve. The land adjacent has been occupied by the Griggs family on one side for three generations and Michael and Bev. are the fourth generation to own their property.

I would like to see the old school, Post Office, and Museum, included on Griggs Avenue as these are historic Griggs properties.

Doris Griggs.

I would like to personally thank everyone involved in any way for the wedding catering on Saturday, 20th Nov.

Whether it be as a food donation or for work involvement, it was a tremendous effort and without willing helpers we could not do such catering.

A true club effort. Thank you.

Glenys Usher

Tom and Betty Sadler would like to thank the members of the Prospect Hill Tennis Club for the work they did in preparing and serving the beautiful spread for Wendy's and Peter's wedding on Nov. 20th.

Special thanks to Glenys Usher for all the arranging before hand and to Simon Boyce for being such a capable drink waiter.

We would also like to thank Laurel Ramsdale and Joy Goldsmith for helping with the flowers in the Church and Auntie Myrtle for the lovely bowls of flowers on the tables in the Hall.

Thank you for making it such a Happy Occasion.

URGENTLY

NEEDED

THE PROSPECT HILL SCOUT GROUP URGENTLY NEEDS A SCOUT LEADER.

Without this help eight Scouts will be unable to continue Scouting in the New Year.

Qualifications are sound common sense and a genuine interest in the welfare of young people.

We can provide the necessary training and can assure you that you will find Scouting enjoyable and rewarding.

If you can help or would like further information, please contact the Group Leader, Basil Dennis, 'phone 388 3021.

The reason for this appeal is because the present S.L. has been asked to lead the Venturer Section of the Group.....

WINDEBANKS ROAD NOT TO BE CLOSED

Council has decided against the closure of Windebanks Road through to Chandlers Hill Road. It adopted a trial period approach so that the effect of sealing the road could be observed before making a final decision as to whether to close the road or not. The District Engineer has been requested to make a further application to have the speed limit reduced to 60 km/hr.

FROM THE PAST

by Doreen M Moore.

George Griggs was the 7th child of George and Ann Griggs, being the eldest son and one can just imagine the excitement when a son arrived after six daughters.

George was one of very few pupils who in those days went to primary school long enough to gain his Qualifying Certificate and right throughout his entire life was able to handle anything in the mathematical field with very little effort.

He married Agnes May Gill on March 16th, 1904 in the dear little church at Prospect Hill. Prior to his marriage he worked on the opal fields at White Cliffs and the diary he kept made very interesting reading.

With the aid of Mr James Pike (Clarrie Pike's grandfather) he built his own home and a sketch of which, drawn by Von Bignell, is on the front cover of this issue. Apart from a few months spent in the Gawler River he lived in Prospect Hill and in this same house all his married life. The house is still standing but now unused and is on the property owned by his grandson, Michael Griggs.

George was chairman of the Prospect Hill School Committee for many years and was always active in Church work, being a local preacher and Sunday School superintendant.

There were four children, Lenora who married Fred Purdie and lives at Bute; George, who passed away at Prospect Hill 2½ years ago; Doreen (Dene) Moore and Gwen Coad who both live in Strathalbyn and look forward to receiving their "District News" each fortnight.

Keep up the good work in printing your paper, you are all doing a good job.
